

# PHOTO MÜNSINGEN 2017

“A PLACE TO STAY”

## Project Schedule

## Project Highlights

60 swiss photo clubs to participate in the event.

Topic: "A place to stay".

Submission deadline (for the club): Feb. 28th 2017

Event: May 25th - 28th, 2017

The organiser will create a competition catalog with every club's work along with the name of the photographers and the photo club.

## PICZ Project

The project belongs to PICZ Creative Lab

Project Leader: ???

Work together in groups of 4 or 5 people

Produce a panel of 4 or 5 pictures

Possible layouts are available to download (Photoshop Elements format) on the organiser's website (see "additional details" below)

**PICZ can submit only 1 panel** to the competition

**Selection:** 1 vote per PICZ member (2017, think of renewing your membership early !) - In case of draw, the club committee will make the selection amongst the winners

## Additional details

[http://  
phm.dwaelti.ch](http://phm.dwaelti.ch)

The procedure for the creation of the digital panel is available on the Internet link <http://phm.dwaelti.ch>. Click on the selection "Tableau erstellen" resp. "Création d'un tableau" to open the guide:

Point 1: The guide details how to create the tableau with Photo Shop Elements.

Point 2: You can create a document with one of the listed image arrays.

Point 3: Click on the type of image array; This template is then automatically transferred to your Photo Shop Elements program.
